DEDICATION

We, the yearbook staff, are indeed honored to dedicate this 1980-81 edition of the "Matebloun" to our principal, Mr. Fredro C. Knight.

In the course of evolution you came to us in the school year of '79-'80. Since then you have worked faithfully towards the betterment of our school. You have shown true patience and guidance which we are greatly appreciative.

We, the yearbook staff, are proud to have you as the head of our family.

EDITOR'S MESSAGE

To the Senior Class of '81 and the entire family of Blount High School, it has been a great experience and indeed a pleasure to bring to you this 1981 edition of the "Matebloun." The staff and I have worked diligently to bring to you the best yearbook ever. We hope that you will enjoy reading and viewing it as much as we have enjoyed putting it together.

The yearbook staff and I are thankful to Mrs. Barbara Blackledge and Mr. Fredro C. Knight for the leadership and sincere guidance they have shown. Working together with them has given us true faith in ourselves. As we become graduates of tomorrow, we are hoping that this edition of the "Matebloun" will help you recapture those special moments of the 1980-81 school year.

A man with dark hair and a mustache, wearing a light-colored suit, white shirt, and dark tie, stands in a field of tall, dry grass. He is smiling and looking slightly to his left. His hands are clasped in front of him.

PRINCIPAL'S MESSAGE

To the Graduating Class of 1981:

It is with a feeling of personal pride and sentiment that I extend congratulations to you. Your class represents the second class to graduate since I came here. As a result of cooperative and wholesome interaction, you have been able to achieve this goal. Because of your many and varied talents and your willingness to use and develop them, your strong application to your task, and your genuine interest in intellectual pursuits, you have made it to this milestone.

As you go out to commence the larger life which certainly will make even greater demands of you, may you face the challenges of the future with courage, determination and honor. Our faith in you leads us to believe that you will serve your generation in the same manner which you have served your high school, and it is our desire that you will serve with merit in your adult world.

It is my desire that you will continue your education and training if possible, and that you will see promise of widening horizon in the new and exciting age in which you live. My best wishes go with you always.

REALITY IN THE FORM

A series of related changes in certain directions. The direction of career, and real life. In the past three years the development of this class (the class of '81) has been successful as well as enriching. Our lives have been affected strongly by the sincere changes of our school, and have steadily gained knowledge and wisdom from those who were chosen to lead us.

Our minds have been enriched rightfully, and our hearts gracefully, as a process of continuous change from a lower, simpler condition has progressed us to a more complex and higher state.

OF SINCERE EVOLUTION

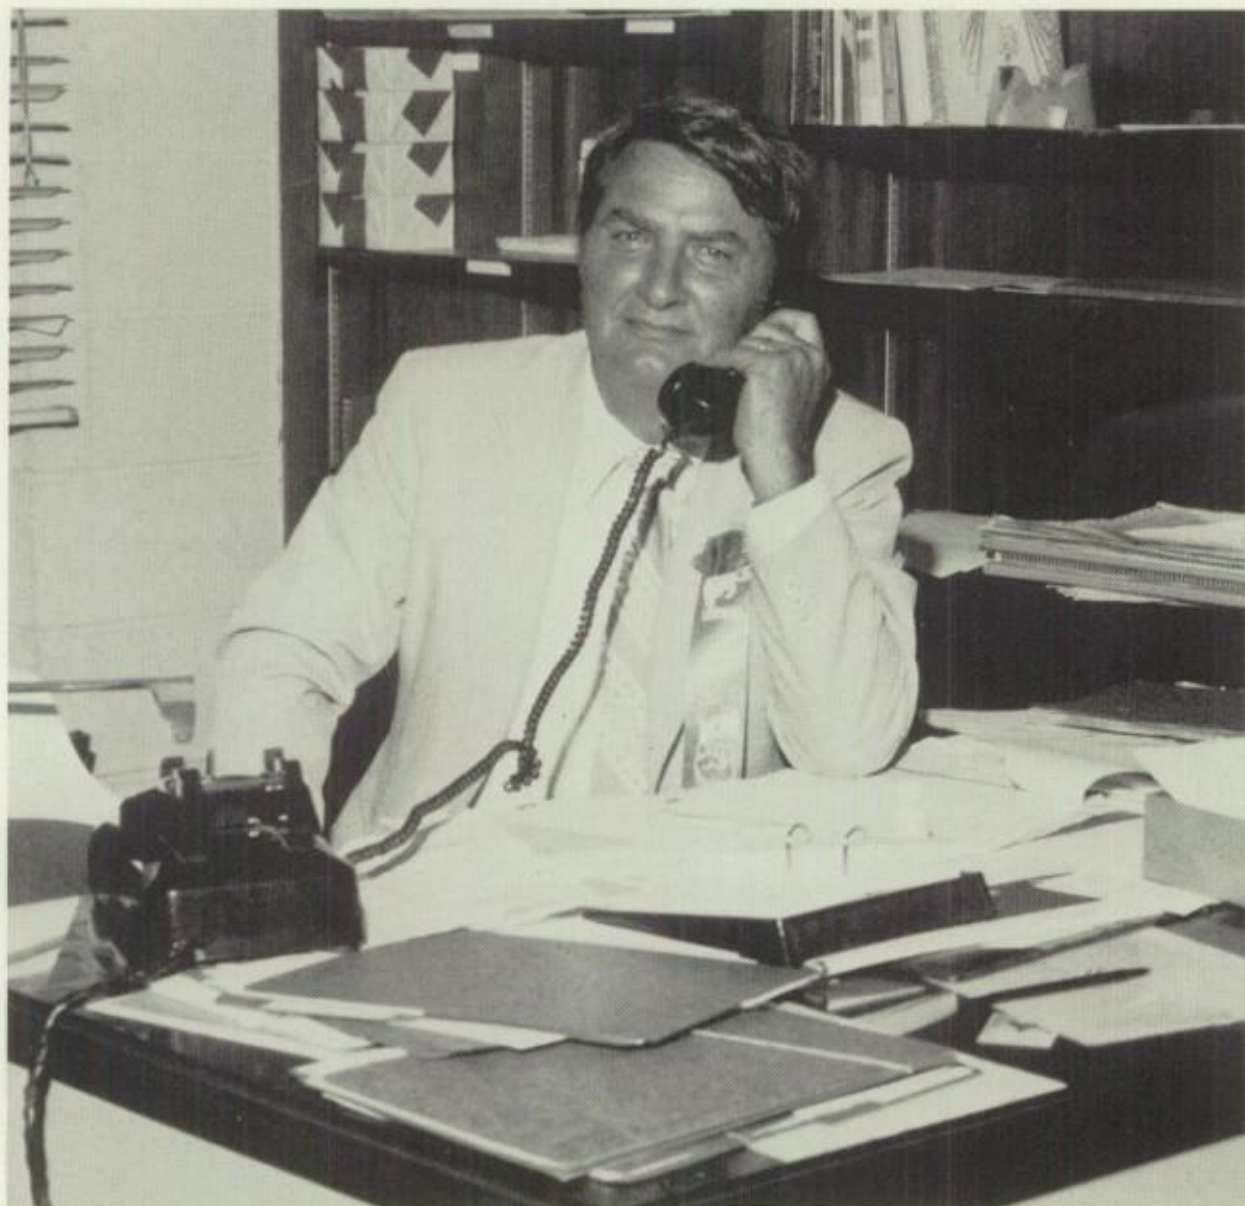

And yet as life gives us new chances daily, we see the new developments that we've made, eye to eye as a part of reality. "Real Life."

The things that we're doing and the people we're associating ourselves with, have made our lives real.

In Memoriam

ONE STEP FORWARD

Yes, we've taken one step forward
Toward that challenging world outside
Yes, we've taken one step forward
Let nothing devote our pride.

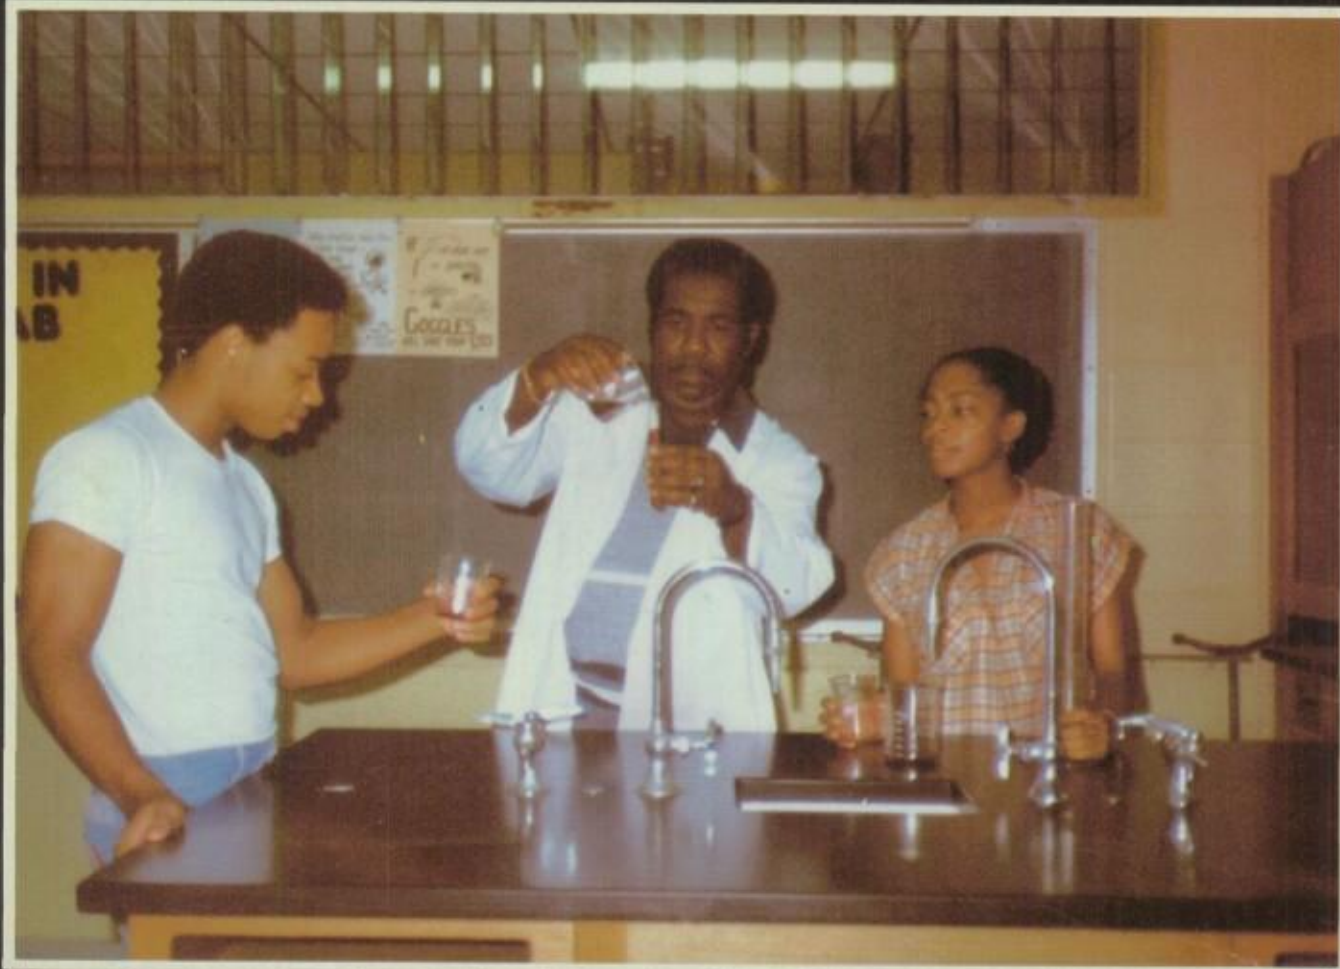

Since we've taken one step forward
We must strive for higher goals
Since we've taken one step forward
Our thoughts we must unfold.

Of course we've taken one step forward
To find out what life's all about
Of course we've taken one step forward
Our ability we must not doubt.

We thank you for that one step forward
It was you who gave us the chance
We thank you for that one step forward
Your contributions we must enhance.

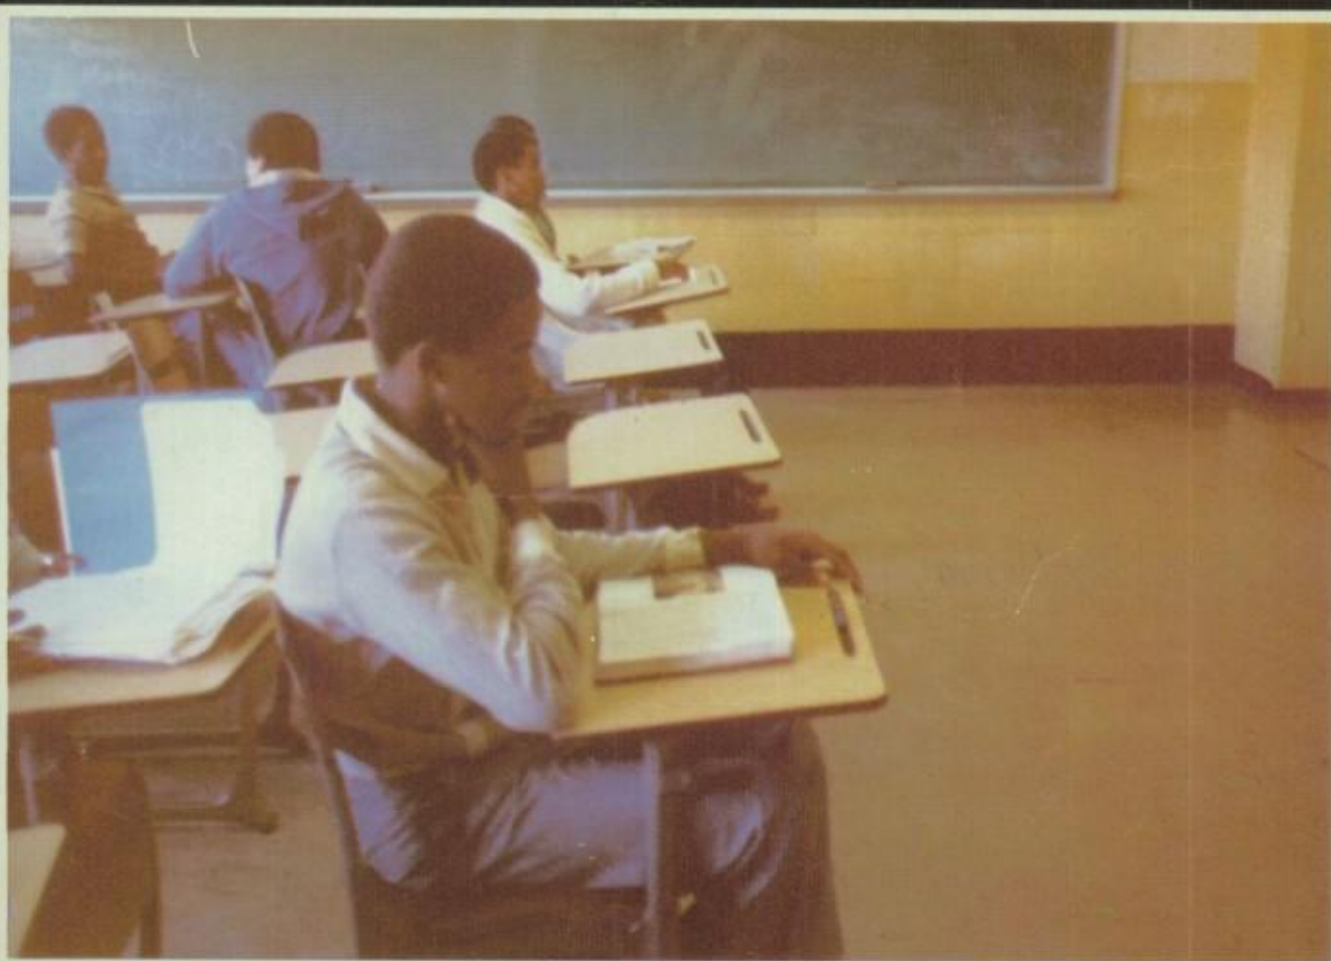

We have taken one step forward
We thank you for it all
We have taken one step forward
Your wonders we can recall.

Now that we've taken one step forward
We must face the world with willing hearts
Now that we've taken one step forward
From this world we must not part.

Giving us the chance, teachers, giving aid, have strengthened us, shown us the ways of future preparations.

Mentally, we have become knowledgeable young men and women with a keen sense of direction. Development to us means expanding life's intangible dreams and making them real in today's society.

Physically, we are strong, our bodies are ready to withstand anything that the future holds. Today's sport activities prepare us for tomorrow's.

As life evolves daily we find that development is our main goal. To change the old and make it new.

THE ARTISTICALLY INCLINED

Two of Blount's best artists, Morris Williams and James McKinnis create a perfect replica of Booker T. Washington.

Instructional specialist, Mrs. F. Campbell and Mr. Hamilton are amazed at the finesse of the portray of Louis Satchmo Armstrong.

Mr. Morrow congratulates the young gentlemen on their complete devotion to the beautification of the school.

Assistant Principal Morrow and History Instructor Mr. Hamilton discuss the expertise of these artists.

McKinnis, Hamilton, Morrow, and Williams study the illustrative depiction of "The Great Kings of Africa" drawn by another artistically inclined student, Joseph Jones.

Morris and James supply the staff and faculty with ample parking space as another source of campus modernization.

FAITH IN A BLACK CHILD

For a black child to achieve,
He must have faith to succeed
To say to himself I can if I try
Regardless if I'm black or white.

The door is open to success
The teacher will teach and you do
the rest.

Black isn't the color their
concerned about
But which student will come
out on top.

Yes, to live in this challenging world
can be difficult.

For you're a black child and
you musn't give up.
Heartaches will come along with
tears,
Pain and sorrow with seemingly
everlasting fears.

Hold your head up and keep the
faith,
For you're a black child be proud
of your race.

While men will persecute you
to turn you around,
Just look ahead and give up
no ground.

Have confidence and you'll accomplish
any goal,
The time is now — so choose
your role.

Just say to yourself I
can if I try.
Regardless if I'm black or white.

People have tried to turn me
around
But I look ahead and gave
up no ground
I have the courage to achieve
And I'll keep the faith and
I will succeed!

GRADUATION

Tears in my eyes
of the school I am leaving behind.
There will never be another year
of the school we love so dear.

We will visit our friends
at our dear Alma Mater
then we will leave once again.

Life

Life holds many opportunities
all you have to do is grab it
don't sit around like a looney
or you will never have it

Let us then be up and doing
with our hearts and our fate
still achieving and still pursuing
learning to labor and to wait

Life never gives what you want,
But try your luck and do your best
one will see, if you don't
just keep on trying and you'll be blessed.

Blount our Life is So Special

Blount our life together has been so special since you
have inspired us. And leaving you we will return 'cause
we'll be back to reminisce again. When we reunite it will
be like starting over. 'Cause you're so special. And you
know you have taught us well.

Let's take the time to look back on the years, four won-
derful years full of love. Thank you. We love you.

Farewell Blount High

Farewell Blount High, it's time to part
The memories of you will stay in our hearts
We'll cherish those memories like a story untold
For you are our only pride and glory

Farewell Blount High, I hate to say
But time has quickly drifted away
Remember that there will never be none
As dear and precious as the Class of "81."

Always and Forever

Always and Forever, these four years with you
Were just like a dream to us,
That some how came true
And we know tomorrow will not be the same
For we have a life to live
That won't ever change.

Every day teach us your own special way
Melt all our fears away with a smile
Take time to show us you really care
And we'll spend tomorrow together
Blount we'll always love you forever.

There'll always be sunshine when we think of you
Something we can't explain, just the things
That you do
And when we get lonely, we'll all stop and take
A second to think about the memories you made.

Every day teach us your own special way
Melt all our fears away. With a smile
Take time to show us you really care
And we'll spend tomorrow together
Blount we'll always love forever.
Forever Blount.

by: Kathryn Louise Ford

Our Years

At first we were freshmen
With nothing to do
Then we became sophomores
As we grew
Our junior year finally came
And everyone exclaimed:
Can it be the same
Students with a different name
Now it's eighty-one
The seniors of the year
To leave the others behind
And go on with our career

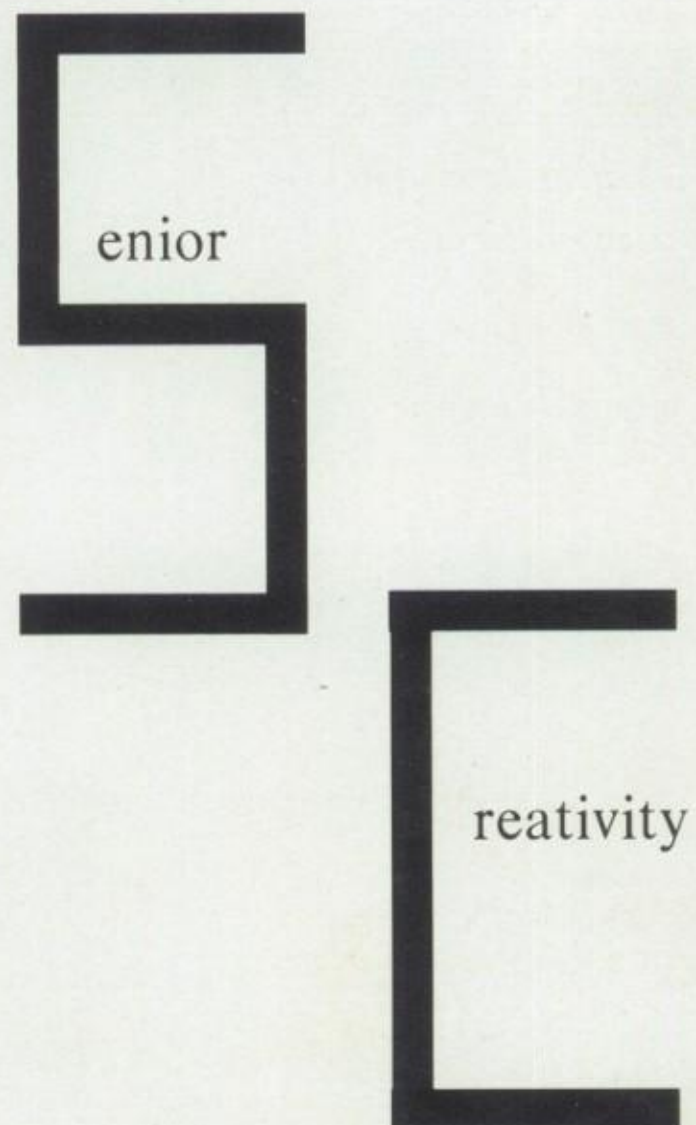

To Blount With Love (Treasure in You)

We've shared joys and tears;
We've shared our courage and our fears;
Yes, we've shared the good and the bad,
We have been happy and we have been sad.
Blount High, we'll treasure your love.
Blount High, you'll always be remembered,
The time that we've shared is more than enough
For it gave us the pleasure
That comes with the treasure of your love

Now the time has come for us,
To go our separate ways;
And though we take with us memories,
With you our heart will always stay;
Blount High we'll treasure your love,
Blount High you'll always be remembered
With loving arms, open so wide
You gave us dignity, and you gave us pride
Blount High, we'll treasure your love
Blount High, you'll always be remembered

And I'll never need false dreams in my life
'Cause you made them all come true
And now life's a pleasure
'Cause I found a treasure, in you

Dear Blount High, we love thee.

“The History of the Seniors”

We the “Seniors of 1981” have come a long way. We began our freshman high school education in 1977-78. As freshmen of '77 we were a wild and crazy group, but we were still, out of all our faults, very enthusiastic. The best thing about the freshmen, was that we always were willing to do whatever there was to be done.

Our freshmen officers of '78 were as follows:

President — Cora Reese
Vice President — Zina Mitchell
Secretary — Regina West
Treasurer — Pinkie Stone

Kenneth Fairley was Mr. Freshman and Curley Harris was Miss Freshman. The Freshman class Sweetheart was Myra Malone.

We the “Sophomores of 1978-79” were that same freshman class of '77, but only we have begun to move up in life, now seeing things from a rightful yet spiritual point of view.

Our sophomore officers of '79 were as follows:

President — Catherine King
Vice President — Annie Jones
Secretary — Relya Gill
Treasurer — Pinkie Stone
Business Manager — Velma Green
Sgt. at Arms — Monica Gilchrist
Chaplain — Anna Gould

James Wilson was Mr. Sophomore and Linda Apkins was Miss Sophomore. The Sophomore class Sweetheart was Rosalind Tricksey.

The “One in A Million,” Junior Class of 1979-80 did have the chance of their lifetime to strive for adulthood. As young ladies and young men, we prepared ourselves for the future.

Our Junior officers of '80 were as follows:

President — Anna Gould
1st Vice President — Catherine King
2nd Vice President — Cora Reese
Treasurer — Margie Thrash
Corresponding Secretary — Rosalind Tricksey
Asst. Corresponding Secretary — Jahala Harbin
Recording Secretary — Dianne Bettis
Financial Secretary — Luvenia Washington
Asst. Financial Secretary — Cassandra West
Business Manager — Velma Green
Sgt. at Arms — Donald Kidd
Asst. Sgt. at Arms — Kathy Sharp
Parliamentarian — Alice Gillespie
Chaplain — Annie Jones
Asst. Chaplain — Pamela Williams
Historian — Yvonne A. Henderson

Phillip Patton was Mr. Junior and Johnnie Todd was Miss Junior. The Junior Class Sweetheart was Felecia Arso.

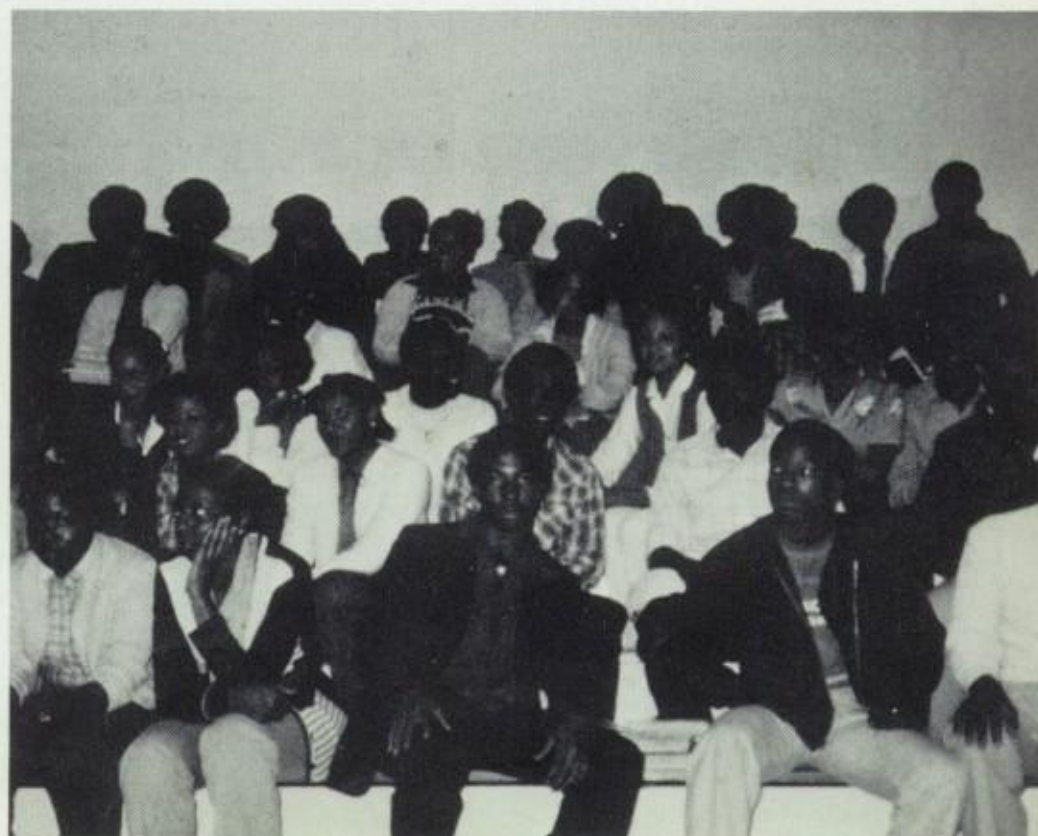

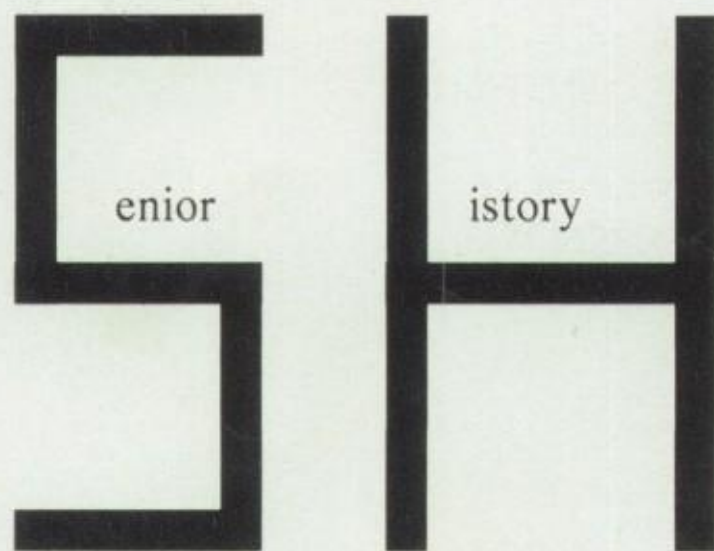

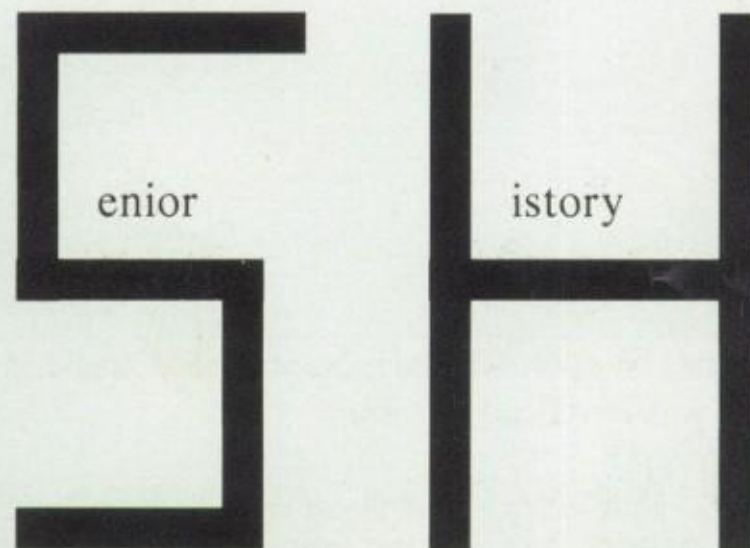

We the "Junior Class of 1979-80," are now seniors, striving for a higher education and higher goals. We are now ready to face the outside world with faith in ourselves, faith in others, and a loving heart toward the future.

Our Senior officers are as follows:

President — Don Turner
Vice President — Willie Ward
Business Manager — Linda Apkins
Recording Secretary — Relya Gill
Financial Secretary — Pinkie Stone
Treasurer — Bernard Robinson
Parliamentarian — Brenda Apkins
Chaplain — Bernadette Grant

Carl Long is Mr. Senior and Zina Mitchell is Miss Senior.

Setting good examples for our underclassmen has been our main goal, knowing that they will soon face the problems, along with the solutions, as we have. Within our hearts lie truth, faith and honor of which we have upheld these past years. As we strive for higher education, as we go our separate ways, we'll always possess spirit and vitality, and within our hearts faith in ourselves will always dwell.
